Mr Henry Russel Browne
American Numismatic Society

Dear Sir

Having learned of your Society
possessing Coins & Medals, thought
I would write you making inquiry
as to whether your Society admit
visitors to see exhibitions of Coins.

My reason for inquiring about
this matter is that I am a private
collector of U.S. coins, and am
greatly interested in learning all
the different varieties of U.S.
money, so as I may be enabled
to complete my collection as far
as possible.

If you will kindly write me
giving the desired information

you will convey a great favor
to me, Thanking you in
advance.

Respectfully

Joseph F. Armons
